

Water Line Installation / Repair

Service Providers Courtesy List

The following are businesses within or near our service area, which have shared an interest in water line installation or plumbing needs. Any one of the businesses may be able to install and/or repair your water line or provide other services. Businesses that would like to be added or taken off our list, please contact our office at 812-988-6611.

IMPORTANT NOTICE:

Brown County Water Utility, Inc. recommends you carefully select ALL business service providers. Brown County Water Utility, Inc. makes no claim of workmanship or takes any responsibility in your selection.
